About **MAAGAP**

Established in 2001, **Maagap Insurance, Inc.** (formerly MAA General Assurance Philippines, Inc.) is a non-life insurance provider in the Philippines. As of 2025, the company has solidified its position as a forward-thinking industry pioneer through a strategic brand refresh and significant network expansion.

In 2024, the company achieved a major milestone with the acquisition of an 85% stake by a consortium led by **Triple P Philippines Pte Ltd.**, which includes international investors like the World Bank's International Finance Corporation (IFC) and Germany's DEG.

“MAAGAP redefines insurance as a proactive partner that provides both the freedom to progress and the security of a safety net.”

OUR MISSION and Vision

Mission Statement

MAAGAP is committed to:

- Building a culture-driven environment focused on total customer satisfaction.
- Providing superior products and services with efficiency and professionalism.
- Enhancing the professional growth and sustainability of business partners.
- Offering meaningful and stable employment while supporting employee development and work-and-life balance.
- Delivering fair returns on shareholders' investments.

Vision Statement

MAAGAP aims to be a diversified and well-respected enterprise engaged in non-life insurance, fully responsive to the needs of its customers, business partners, employees and stakeholders.

By strictly adhering to global standards, MAAGAP aspires to be a leading non-life insurance provider and choice insurer for Filipinos.

SUSTAINABILITY

Our Sustainability Journey: A Commitment to the Principles for Sustainable Insurance

MAAGAP Insurance Inc. is proud to announce its formal commitment to sustainability as a newly minted signatory of the Principles for Sustainable Insurance (PSI) under the United Nations Environment Programme (UNEP). This milestone underscores our unwavering dedication to integrating environmental, social, and governance (ESG) principles into our core operations, creating value for clients, partners, employees, and communities.

We are proud to become a member of the UNEP Principles for #SustainableInsurance Initiative, and we commit to help build more resilient, inclusive, and sustainable communities and economies. By applying the global framework to our business activities, we will be able to better address environmental, social and governance (ESG) risks and opportunities.
